

# Was America Founded As A Christian Or Masonic Nation?

By David J. Stewart | July 2018

America was indeed founded by Freemasons, with intent of achieving a New World Order. And yet, our nation's system of law and government were established upon, in part, Biblical principles. Most of our founding fathers believed in God or were agnostic, and some were born-again Christians. Benjamin Franklin openly denied the deity of Jesus. So we see that our nation was founded as BOTH a Masonic and Christian nation. Granted, there is nothing Christian about Freemasonry. And may I say, ultimately, God is always in control, not men or Satan. Nothing can happen outside of God's sovereign plan for humanity. God does not commit evil, but He permits mankind to make our own decisions, and live with the results.

The Holy Bible teaches that God intentionally left the tares (unsaved) among the wheat (saved), to avoid uprooting the wheat with the tares...

**Matthew 13:27-29, "So the servants of the householder came and said unto him, Sir, didst not thou sow good seed in thy field? from whence then hath it tares? He said unto them, An enemy hath done this. The servants said unto him, Wilt thou then that we go and gather them up? But he said, Nay; lest while ye gather up the tares, ye root up also the wheat with them."**

And so we see this truth in action in the establishment of America. We see God's sovereign hand at work through the pilgrimage of Christians from Europe, and as is always the case, Satan's crowd coming alongside. We read in Revelation 2:13 "**where Satan's seat is**" and "**where Satan's dwelleth**" in the churches. In every church there are unsaved tares, religious people who go along to get along but are not born-again Christians.

We see this type of satanic infiltration today in the churches. One-third of the Freemasonry membership in the U.S. is comprised of southern Baptist men. Even many respected pastors, like Dr. George W. Truitt, first chairman of the Southern Baptist Convention, was a lifelong Freemason (and his father before him). That doesn't necessarily mean that he was satanic, or knowingly partook of a Luciferian organization. It does mean, at a minimum, that he wasn't fully right with God, for even belonging to a satanic secret society! Secret societies are by nature evil because they are secretive. This is because they have something to hide. There is nothing "secretive" in Christianity. **John 18:20, "Jesus answered him, I spake openly to the world; I ever taught in the synagogue, and in the temple, whither the Jews always resort; and in secret have I said nothing."**

The reason why America is so blessed still today with liberty and freedom, is because of our rich Christian heritage (which we are quickly losing). Brother Lester Roloff (1914-2982) rightly said, "America was great when she was good, and she was good when she had great churches!" The large majority of American people used to fear God and respect their neighbors. Stores used to close on Sunday because most people attended church. This was before television went mainstream in 1950. Home entertainment has replaced the churches.

I've been rekindling an old interest in Bluegrass music recently, which is one of the remaining bastions of Christianity in America. I love the banjo, particularly the Earl Scruggs's 3-finger-style. I started to play the banjo decades ago, but lost interest due to the lack of resources where I lived in Chicago. Due to the internet today, you can learn anything at your fingertips. I have found more resources than I ever could have hoped for on the internet. I think that is really a great blessing. [My favorite banjo player is a guy named Dave Hum](#), in Salisbury, England, who died of bone and blood cancer at age 46 in 2012. Dave's music inspires me, as it does many people. Interestingly, Gospel music is a big part of Bluegrass music, and so far, in my pursuit of learning to play the banjo properly, I am finding an encouraging number of Christians. It seems there are still many great places to live out in the country, away from the hustle and bustle of the big cities. Lord willing, I would like to move to one and start my life over, and join a fundamental church. The more that society moves away from Christian values and faith in Jesus Christ, the worse it becomes! We need churches with preaching preachers! I stopped watching television two years ago, and don't keep up with the mainstream news anymore, and it has been peacefully rewarding. I really don't care what the world is doing anymore. Even so, come, Lord Jesus!!!

There was always wickedness in our culture, but it was confined to private clubs, taverns and places of ill repute. Today, wickedness is in our face everywhere we turn. We have lost our blush as a nation. Sin no longer embarrasses people, they relish proudly in it, defying God in arrogance, challenging their Creator. This is largely due to the Luciferian assault against Americans. This includes the removal and ban of God's Word and prayer from the schools. This includes the pushing of the sexual revolution and homosexual agenda. This includes the billion-dollar government-sanctioned illegal drug trade

across America. This includes the Masonic rigged court system that encourages divorce and discourages marriage. This includes the unholy manure-spreading media and their lies. America is under attack. Luciferians, liberals, kooks and infidels want to rid the United States of every bastion of Bible Christianity, and replace it with a New World Order.

So, the truth is that America was founded by Luciferian Freemasons. Highest level Freemasons are fully aware of the Luciferian nature of their cult. Most lower level initiates are not. Freemasonry is an organization within an organization, much like Mormonism, which is closely paralleled to Freemasonry in its rituals, rites and occult dealings. Yet, the early settlers which came to America were by far, Christians. So we see that Satan infiltrates everything that is good, right and holy to corrupt and eventually take it over. We see this happening in the churches today. Once great fundamental churches have been infiltrated by New World Order Bible versions,

corrupted and led astray into ecumenical mediocrity and apostasy! Many churches have been woefully deceived by manmade Israel, led astray to support an ungodly nation and New World Order ploy to usher in World War III, which will begin in the Middle East.

Kindly, the average pastor today is an ignoramus! And sadly, many others are cowards, afraid to investigate these things, lest he be accountable to tell the unpopular truth, which will result in him being put outside the gate with Jesus, as I have been my whole life. Truth is indeed stranger than fiction! Anybody with half a brain knows that the Luciferian elite, whose occult symbols adorn every U.S. one-dollar bill and our nation's capital, were responsible for the World Trade Center attacks on 9/11. Yet, I still hear ignoramus Baptist pastors blaming Muslims and demonizing Islam, while giving a free pass to the most Satanic religion on earth, Judaism! This deception is rooted in the extra-Biblical manmade teachings of Dispensationalism. For that primary reason I reject it!

There is no refuting the fact that the United States was once largely a Christian nation, when people went to church on Sunday, and nearly everyone expressed strong faith in a divine holy God. We see this truth bared out in American history. It was during the mid 19th century that Luciferians plotted to put their plans for a New World Order into full-swing. It was at this time that Karl Marx introduced his demonic Communist Manifesto (1848). Interestingly, if you compare, you'll find that the [10 Planks](#) of Marx's Communist Manifesto [counters God's Ten Commandments](#). That is not a mere coincidence my friend. Satan counters and imitates everything that is of God. The Antichrist will try to replace Jesus Christ. Present-day manmade Israel is Satan's substitute for true Israel, which ceased to exist in 586 BC (when Babylon destroyed it), and won't return until Jesus Christ returns at His Second Coming (Hosea 3:4-5). The New World Order is Satan's counterfeit for Christ's Millennial reign.

Take a look at America today! Luciferians are in control of our country's federal government (at the top places of power). They control the courts. They control the newsmedia. They control the money system. They control the military. They control all high positions of power, what the Bible calls **"spiritual wickedness in high places"** ([Ephesians 6:12-13](#)). Yet, we see an estimated 350,000 churches across our nation. Of those, I've read that about 6,500 are independent Baptist churches. Praise God for Bible-preaching churches!!! I love churches and pastors!!! It always hurts my heart to preach against preachers and churches, God knows my heart. Who am I to criticize a pastor or church? I am a voice for the truth!!! I am nothing, but truth is everything!!!

So we see that even amidst [Luciferians controlling our nation](#), we still have many faithful churches today that are upholding truth and righteousness. We see the tares and the wheat, the battle between good and evil. It was no different back in 1776 when our nation was founded. There was good and evil. Satan is the god of this world (2nd Corinthians 4:4). Satan controls this world as much as he can, and when people don't obey God it is easy for him to do so. The churches are always at odds with the Devil and the Devil's crowd. The government started the 501c3 state-licensing of churches in 1954 to control the churches, to hinder them from fighting against evil in government. I recently heard homosexual CNN journalist, Anderson Cooper, raise threats of the government removing a church's 501c3 tax-exemption in North Carolina, because Pastor Charles Worley faithfully preached against sodomites! The government has no right to censor church pulpits! Is America today a Christian nation? That depends how you look at it! Certainly, we still have some of the best Christians and churches still today in the Bible belt. And I praise God for them all!!! But we also have forsaken God as a nation!

When Barack Obama became U.S. President, one of the first horrible things he did was to announce that, “**America is no longer a Christian nation!**” What an indictment against our ungrateful country!!!

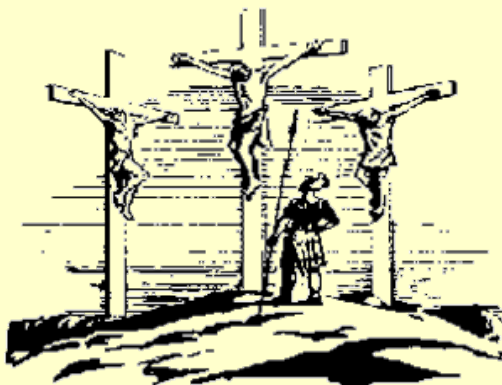

## The Damnable Heresy of Lordship Salvation, a Substitute for the Gospel

Lordship Salvation is a Luciferian substitute for the Gospel, as are all manmade religions based upon human effort. The true Gospel is solely based upon Christ becoming the perfect sacrifice for our sins on the cross. Anyone who receives Christ's sacrifice on the cross as payment for their sins, placing their only hope of eternal life in the precious name of Jesus (the risen Savior) is saved. It is in our sinful human nature to add turning from sins, that is, doing good works, to be saved. To do so negatives our faith, and cannot produce the new birth by the Holy Spirit of God. Having the wrong mindset prevents the second birth. This is why Seventh-Day Adventists are not saved. This is why those who trust in Lordship Salvation are not saved.

Ironically, Jesus even told us about an unsaved group of religious people in Matthew 7:21-23 (like Ray Comfort and John MacArthur), who say “**Lord, Lord,**” but have never truly been born-again. They have the wrong mindset toward the Gospel, and have instead embraced a Satanic substitute for the saving-Gospel of free grace without works. According to these false prophets, you must be sorry for your sins, and spend the rest of your life trying not to commit them again, to prove your sincerity. [Listen to Mr. Comfort say it for yourself](#) (here's the [MP3](#)) to this poor deceived woman. Ray tells the woman, “It's a continual thing!” Folks, getting saved is not a “continual thing”! If we must continue turning away from committing sins to get to Heaven, then how can eternal life be a free gift? How can you ever really KNOW that you are saved? Obviously you couldn't, because you would continually worry whether or not you had turned away enough from your sins. Can anyone turn away from their sins? The answer is a resounding, “NO!” My Comfort is a dangerous man theologically, who is leading people into the Lake of Fire with himself. I am a big sinner, and so are you, and so is Ray! My only hope for Heaven is what Jesus did, by becoming the sacrifice for my sins, on the cross. I believe that He is the only begotten Son of God, who died on the cross for me, was buried, and bodily resurrected three days later! How could Jesus save me if He didn't raise up?

## The Only Hope for America is Bible-Preaching Churches

Sadly, increasingly most churches don't even have the Bible anymore. If you are using the Alexandrian-based (Westcott and Hort) perversions, you DON'T have God's Word!

If there is any hope for ever healing our nation, it is the free grace Gospel. We need Gospel-preaching churches! All these new-evangelical churches today, who are using corrupt Bible versions, have invited the Devil right into their midst. All of the modern Bibles [redefine](#)

[repentance](#) to improperly means *a change of life*; whereas the word really means, *a*

*change of mind* (unto the Gospel itself). There are all sorts of movements today to save America. Many people spend their life working hard for their favorite political party. Others work hard to rally in Washington to influence lawmakers and leaders to do the right thing. Despite their best and sincerest efforts, our nation is on a progressive downward spiral into the depths of Satan. The answer has always been fundamental (Bible-believing and Bible-preaching) New Testament churches!!! Nearly everything that we see happening in the religious world today is centered upon the love of money. Ray Comfort, for example, takes in about \$2,000,000 each year. There are all sorts of parachurch ministries—like Promise Keepers and Answers in Genesis, and their privately owned and run (for profit) Ark Encounter, parasiting off the churches, stuffing their pockets with filthy lucre. Follow the money! It is disgusting!!! As believers we have the hope of Christ's return, and the hope of eternal life, and the hope of better things to come, because of the free gift of God's grace in Christ Jesus.

I try to simplify matters for the sake of my web visitors. You could literally spend the rest of your life searching the occult on the internet. There are massive websites, loaded with tons of information on the Illuminati and occult. I try to give you the basic gist of the truth, so you can be informed, and not have to delve into it all like I have (and I've only scratched the surface). I choose to spend my time soul-winning, abiding in the truth, and not spend most of my time studying error. America clearly had Masonic beginnings. Our first U.S. President, George Washington, was an incredibly honorable man, a man of integrity and character, and admirable; but he was also a Freemason! Eight of the fifty-six signers of The Declaration of Independence were known occultists, Freemasons. Freemasons control the newsmedia, and often play down their control of our nation. One need look no further than the 666 foot tall Washington Monument in Washington DC to see the truth. Every U.S. one-dollar bill is adorned with Masonic occult symbols.

Satan is a beautiful liar! The newsmedia are liars! Freemasons are liars! Politicians are infamous liars! Revelation 12:9 says the Devil is deceiving the whole world. John 8:44 identifies Satan as the father of all liars! Rock singer Ozzy Osborne has denied his Satanic nature repeatedly. Even Church of Satan founder, Anton LaVey, denied Satan's existence; but his widow told the truth that he DID believe in Satan. Satan's greatest achievement has always been to [convince the world that he doesn't really exist](#). If you have a working brain, and especially if you are a born-again Christian, then YOU KNOW that there is a Devil. Satan is a person, a spiritual being, who can only be in one place at a time, but he has a hierarchy of fallen angels under his command.

Satan is real folks!!! The Devil is behind all wars! The Devil is behind the forming New World Order! The Devil is responsible for the subversion of America! The Devil is behind the attack against the churches! Our only defense is the verbally-inspired Word of God in the King James Bible!!!!!! This is why the Devil is desperately trying to trick churches into using the fake Alexandrian Bibles, instead of the inspired faithful King James Bible! The turning from sins heresy (wrong repentance) and Lordship Salvation (they are two different heresies, but often related) that are creeping into the churches today, originate from the perverted Bible versions. Our nation was founded upon the KING JAMES BIBLE!!! That is, our nation was built upon King James Bible-believing churches!!!

Everywhere we look today, churches don't care anymore about doctrinal integrity, modesty, the clarity of the Gospel, nor the purity of the Holy Bible. Their main emphasis is entertainment, and their main focus is financial stability. They'll say that money is not their first love, but their actions deny them! Money-focused churches are indifferent

toward heresy, immodesty and false prophets! That is, they are ecumenical. It may seem that I am a bit off topic, but the deplorable condition of the churches in America today is directly linked to the deterioration of our nation. It is a domino effect. As the churches wax worse, so does society; and as society waxes worse, so do the churches. As the churches become more worldly, so also is the world becoming more churchy. That is why Sharon Osborne, Ozzy Osborne's wife, recently promoted the Episcopalian church, because they are 100% supportive of queer marriages now! WICKEDNESS!!!

Where did it all start? Where did the downfall of America begin? Our prosperity in the United States has ruined us. It is just in our human nature to destroy ourselves. Satan always exploits weakness in humanity. There is always weakness, due to our sinful nature. The only hope is becoming a child of God, and then surrendering one's life as a living sacrifice to serve God. I dare say 1 in 1,000 people today do that! There are few people that are saved (Luke 13:23-24). There are few believers who sell out to serve God (Philippians 2:20). This is why we need Bible-preaching churches!!! Most churches these days no longer preach the Holy Bible. How can they when they don't even have the Holy Bible? I've been painfully forced out of three churches for standing against the corrupt Alexandrian Bible perversions!!! Satan has always been in the churches (Revelation 2:13), but he couldn't take control, because the Word of God crippled him.

Sadly, Satan is taking control today, because the churches have become foolish, following the trends of the apostate evangelical world. If you give the Devil an inch, he'll take a foot and become a ruler. That was a joke, but it is also very true! The Devil only tries to get his sleazy foot in your front door, because he knows if he can get that far, he's in your house! If Satan can get his corruptible seed in your church, it is just a matter of time until he takes control!!! Thousands of churches all across America have sold out to evil! **1st Kings 21:20, "And Ahab said to Elijah, Hast thou found me, O mine enemy? And he answered, I have found thee: because thou hast sold thyself to work evil in the sight of the LORD."** America's churches have sold themselves! People need help! People are literally dying to be loved, to know the truth, to be a part of a growing church!!! Does anybody care? Our God is so precious, awesome and loving! What a great and terrific God!!! We have a precious Savior, His name is Jesus!!!!!!!

## **NOBODY IS LAUGHING IN HELL!!!**

Did you know that you don't have to ask Jesus to save you? God has already told you how to be saved, that is, by simply believing that His Son died on the cross for your sins, was buried, and raised up from the dead three days later. Christ raised up from the dead, which means that God the Father accepted His Son's payment for the sins of the world. Christ suffered on the cross so that we wouldn't have to suffer in a literal Hell forever. Amen! You don't have to bow your head to be saved. You don't have to pray. You don't have to do anything except believe that Jesus died on the cross for your sins, and make that your only hope for Heaven!

And you don't want to keep your eyes on yourself, because you'll feel inadequate, like a loser and a failure. Keep your eyes on Jesus!)

Salvation is not doing your best, it is having Christ's best put to your account through receiving Him by faith.

God will not save anyone who is trying to be saved, He will only save those who are trusting to be saved.

Religion is man trying to reach God through human effort, but Christianity is God trying to reach man by the sacrifice of His only begotten Son on the cross.
